Youth Arts in Our Community Needs Your Support

CKDA invites local businesses to partner with us for our 2026 production of Adventures of Alice in Wonderland. This well-attended event brings hundreds of guests together across three performances at the Ernsthausen Performing Arts Center in Norwalk. Sponsorship offers a meaningful way to support youth arts in our community while gaining visibility among local audiences.

All sponsors receive recognition in the performance program, with premium sponsorships offering expanded exposure through logo placement in the lobby and within the Patron Reception gallery. Patron-level sponsors also receive two tickets to enjoy the performance and hospitality experience.

Please select your preferred sponsorship level below and return the form with payment by the listed deadline to ensure inclusion in printed materials. A clear logo or ad file is all we need. A PDF or high-quality image (*JPG or PNG, 300 dpi*) works great! For questions or to submit artwork, please contact Erin Cannon at (419) 706-4825, or erinsmetzer@gmail.com.
